Performance

Air Volume (cfm): 990
Air Velocity (fpm): 250.0
Pressure Drop (in.w.g.): 0.05

Noise Reduction (dB)

63 Hz	125 Hz	250 Hz	500 Hz	1000 Hz	2000 Hz	4000 Hz	8000 Hz
7	9	10	9	13	15	16	17

Construction Options

Casing: 26 GA Galvanneal Acoustic Media: 1" Fiber-Free Foam

Notes

- Performance data is derived from test data in conformance with ASTM-E477-20.
- Price Silencers are tested in our NVLAP-Accredited Sound Lab; NVLAP Lab Code: 200874-0
- Price silencers consist of ASTM A653 / A653M steel casings and perforated liners.
- Price silencer material has flame spread classification < 25 and smoke development rating < 50 when tested in accordance with ASTM E84, UL723 and NFPA255.
- Customer to confirm all dimensions
